                                )  
v.                             )      **2255 DISMISSAL ORDER**  
                                )  
WARREN EVANS, JR.,       )      By: Michael F. Urbanski  
Petitioner.                )      Chief United States District Judge

Petitioner Warren Evans, Jr., a federal inmate proceeding pro se, filed a motion for an extension of time to file a direct appeal. By order entered April 4, 2019, the court notified Evans of its intention to construe and address the filing as a motion to vacate, set aside, or correct sentence, pursuant to 28 U.S.C. § 2255, unless he objected to that construction. See ECF No. 70; Castro v. United States, 540 U.S. 375 (2003). Evans responded, see ECF No. 72, indicating his objection to the court's intended construction and based on his response, it is hereby **ORDERED** that this action, conditionally filed pursuant to § 2255, is **DISMISSED without prejudice** and **STRICKEN** from the active docket of the court.

Further, the court finds that Evans has not made the requisite showing of the substantial denial of a constitutional right as required by 28 U.S.C. § 2253(c) and, therefore, a certificate of appealability is **DENIED**.

The Clerk shall send copies of this order to the parties.

**ENTER:** This 23<sup>rd</sup> day of April, 2019.
